Minimum Training for OSHECCOM Members

Presented To: National OSHECCOM

Presented by: William Kansier, ANS-500

AUGUST 3, 2000

Action Item from February 24, 2000 National OSHECCOM Meeting

- ANS to reconvene the original OSHECCOM Member Training subcommittee to address potential field level training needs.
- Telecon was held on June 1, 2000 and included:
 - Kevin Conrad, PASS National Safety Representative
 - Bob Howard, NATCA National Safety Representative
 - Mary Wingard, ATX-500
 - Michael Thomas, AEE-200
 - Cheryl Mazzella, ANS-500

OSHECCOM Member Training Subcommittee Consensus:

- Minimum Training for OSHECCOM Members: The training package prepared by the original subcommittee meets the requirements of 1960.20 and is acceptable minimum training for OSHECCOM members at all levels in the FAA.
- Training for Union Regional Safety Representatives will be addressed separately from the OSHECCOM Training.

Recommendations:

- ANS-500 will work with AFZ-100 to obtain a national course number for this training.
- This action item should be considered, "Closed."
- Discuss schedule for training of National OSHECCOM members.
